Cookout at the Louvre

A COMMUNITY... CREATED... CALLED... LED... RESPONDING TO GOD'S LOVE

SOUTHWEST CENTRAL CHURCH OF CHRIST

On Sunday evening **May 16**, we'll gather with our across-the-street-neighbors at the Louvre Apartments for a cookout. Hamburgers and hot dogs will start coming off the grill at 6pm, but we'll need some help with preparation around 5pm. We need to bring the grill over, set up tables, get the food and drinks ready, etc. If you can come early to help, please notify Steve Sargent. Otherwise, feel free to come around 6pm - and bring an extra chair or 2 - for food and fellowship with our neighbors.

UPDATE FROM INSIGHT INTERNATIONAL BRAILLE OUTREACH WORLDWIDE

Greetings to all our brothers and sisters in Christ, who support this ministry to the blind with your prayers, finances, and your many expressions of love and concern.

The Courier talking Bibles which we send are becoming evermore popular. We send them to nations where the person receiving them has a good command of the English language. We often send other Bible-related material with these units. Each one contains two complete Bibles, and for the first time ever, a person can bring their entire Bible to class or study. Each unit is only the size of a cassette, just a bit thicker.

Everyday, I am more amazed at the power of the Internet to spread God's Word. In one day alone

I spoke on Skype to people in Pakistan, Poland, Ireland, and several places in the US. I am in a discussion with moderate Muslims in Pakistan, and have sent a Braille Bible to Poland and am talking to the lady who received it. The internet ministry alone could certainly be a full time ministry to the blind, as more blind people discover this revolutionary method of communication, and as it become ever more affordable! Never in human history have we as blind people had such access to information as we now have through the internet!

May our God provide for all your needs and concerns.
